Crawford is very pleased to announce some significant developments in relation to our Japan operation.

Please join us in welcoming Mamoru Tanouchi to the Crawford Japan Team.

We are pleased to announce that Mamoru has taken on the role of Managing Director of Crawford Japan K.K., a new Japanese corporation which is in the process of being setup.

Mamoru was previously the Managing Director for an international adjusting firm in Japan, having helped with the establishment of the business several years ago.

He has more than 30 years' experience in the insurance industry in Japan and United States, working with a major Japanese insurer as well as an international loss adjusting firm.

Mamoru has managed a range of large claims such as property damage, business interruption, product liability and product recall - across industries including power stations, semiconductor plants, heavy industry, petro refinery, petro chemical and shipbuilding.

Mamoru brings with him a wealth of experience within the Japanese market and will be responsible for the growth and development of our operations within Japan.

Our existing Japan branch office, under the leadership of Mr Futoshi Suezawa will continue to operate as normal providing support to the new Crawford Japan K.K. business.

## Welcome Tetsuya Fujita, Senior Manager – Japanese Business Unit

We are pleased to announce that Tetsuya has been appointed Senior Manager – Japanese Business Unit and will be based in the Crawford Bangkok office.

Tetsuya has over 30 years' experience in claims management of major losses and Nat Cats for Japanese corporate clients in the fields of property, liability, construction & engineering and others.

He has worked outside of Japan for 20 years in London, New York, Singapore and Bangkok. When he was Global Head of Claims at a large insurer, Tetsuya was the Project Leader of the Nat Cat Project Team dedicated to the claims management of major property and BI losses from the Thailand Floods. He has an extensive experience in litigation management in major litigations in United States and APAC.

Tetsuya's role will be to support all Crawford Asian businesses on Japanese client programs, support the response on associated large losses, and assist with business development on new Japanese accounts in Asia and abroad.
